

Black Mountain Elementary Title I Home-School Compact

2020-2021

What is a Home-School Compact?

A Home-School Compact is an agreement that adults at home, students and teachers develop together. It explains how families and teachers will work together to provide the support needed for all our students to reach grade-level standards. The adults at home, students, and staff of Black Mountain Elementary work together to create this Home-School Compact. This compact is reviewed and amended each year based on the needs of families, students, and staff.

At School

As your child's *teacher*, I will work to...

- Provide motivating activities that are research-based best teaching practices and use effective classroom management procedures
- Help families and students understand class expectations, instructional goals, and grading systems.
- Consider strengths and needs of individual students when planning lessons and promote a feeling of belonging for all
- Work with other teachers in Professional Learning Communities (PLCs) to use North Carolina State Standards and 21st Century Skills in literacy and math instruction.

At Home

As a *parent/guardian*, I promise to...

- Ensure that my child is attending school regularly and consistently on time.
- Provide a quiet homework/study time and place at home.
- Talk daily with my child about school experiences, current events, and what they are learning in school.
- Attend conferences and family-school events when possible.
- Read with my child and encourage my child to read daily.
